## Parent Responsibilities

- Parents and/or students are reminded to refer to the online COVID 19 transportation resource to properly prepare your child for the school bus. To access this information, please use the “COVID-19” link at [www.schoolbuscity.com](http://www.schoolbuscity.com). Parents and/or students are encouraged to check the website regularly for updates.
- Parents should review check the STS Late Bus Report each morning and understand the need to make alternative arrangements for their child/children if the school bus is late or cancelled.
- Parents and/or students should arrive at the bus stop 5 minutes prior to the regularly scheduled pick-up and drop-off times. During the first week of school it is recommended parents and/or students arrive at the bus stop 10 minutes prior to the regularly scheduled pick-up and drop-off times.
- Parents should ensure their child/children's safety and conduct while walking to, from and waiting at a designated bus stop.
- Parents should make alternate arrangements for their children if they are unable to meet them at a bus stop. To help ensure student safety, Student Transportation Services recommends students in grades JK - 1 are met at their bus stop by a parent/guardian, and age appropriate arrangements made for all other grades.
- Parents should know their child/children's route number.
- Parents should know their child/children's bus stop location.
- Parents should know the school and bus company phone number in the event of an emergency.
- Parents are reminded to refer to the Late Bus Report on the Student Transportation Services website at [www.schoolbuscity.com](http://www.schoolbuscity.com) prior to leaving for the bus stop in the mornings and afternoons.
