Student Ride Times/Duration of Trip

STSYR004

Revised: Jan. 2013

Student Transportation Services of York Region (STSYR) provides transportation service in accordance with the policies of its member School Boards.

The York Catholic District School Board and The York Region District School Board provide one-way service as closely as practical to the following guidelines.

Ride time is the time a student spends on a bus from collector points. The walk time to and from collector points is not included. Ride times on Public or Board provided transportation exceeding approximately 60 minutes (one way) would be considered exceptional circumstances.

NOTE:

Parents considering enrolling students in Optional Programs such as French Immersion and PACE or Gifted programs should be aware of the following:

Due to the size of the attendance areas for French Immersion and PACE or Gifted programs, students may experience longer ride times than service to schools with regular programs. In addition, students who live the furthest from school often have the longest ride times. STSYR endeavors to try to ensure a 60 minute maximum ride time (one way), where practical.
